

## 2017 Campership Application

Dear Applicant,

The Camp Grafton Society is a non-profit society whose members are volunteers. One of our goals is to provide wonderful outdoor camping experiences for children and youth regardless of their families' current financial circumstances. Each year, the Camp Grafton Society is able to achieve this goal because of the generous donations made by various churches, organizations, businesses, and individuals to our Campership Fund. Because there are limited funds available, we ask that you contribute to your child's camp fees as much as possible. Assistance is determined on an individual basis, depending on the needs of the family and the Campership funds available. In addition to applying for Campership Assistance, you may be able to find community support to help with camp fees by talking to your local church or service club. It is our policy to treat all Campership Assistance Applications as confidential.

To Apply, you will need to complete and submit the following before April 1st, 2017:

- Completed Registration Form
- Campership Application Form
- Deposit for Camp (\$50 per camper, per camp)

We will review your application once all of the above are received. A member of the Campership Committee will be in touch with you regarding your request.

Please send completed application and supporting documents to:
